Dear Parents/Guardians and Members of the Cranford Community:

Each year as part of its anti-bullying efforts to provide a safe and caring school community and to conform to NJ Department of Education requirements, each school in the district does a "Self-Assessment" of its efforts to limit as much as possible bullying among its student for that school year.

We have posted at the other links you will find on the district webpage the Self-Assessment for each school for the 2017-2018 school year for your careful review and consideration. We have also posted a link that will take you to the NJ Department of Education's document explaining the criteria for the grades you will see on a school's report.

At this time we invite parent and community feedback about the Self-Assessments.

At the next meeting of the Board of Education on Monday, October 22, 2018, the Board will be asked to approve the Self-Assessments prior to the Superintendent's certification regarding them that he is required to provide to the NJ Department of Education.

Should you wish to provide the district with feedback about the Self-Assessments, please feel free to send me an email at [burfeindt@cranfordschools.org](mailto:burfeindt@cranfordschools.org).

I look forward to hearing from you.

Thank you.

Sincerely,

*Lisa Burfeindt*
