

To all Teachers;

The Cranford High School Auto Shop is open and able to perform a variety of basic automotive inspections and repairs. If your car needs minor service I have a team of students able to help you out. Cougar Car Care is able to perform oil changes, tire mounting and balancing, brake inspections and repairs, minor tune ups, and many other services that would cost a lot more at the local garage or dealership. If your car is in need of service just drop me an E-Mail and I will get back to you to make an appointment.
