

**Immensely dislike to Fundraise?
“Can’t I just write a check?”
Here’s your chance....**

**This direct contribution is the only fundraiser where 100%
goes directly towards Project Graduation.
No selling, no buying; just check writing!**

*** But I love CHS and Project Graduation, and I am happy to help, so
here’s \$25 AND you can still e-mail me at
_____ to help!**

***I am not going to bake cupcakes, clip box tops, or do a COSTCO run for
you, so here’s \$30 to leave me alone.**

***I don’t want to harass my family, friends, co-workers, or strangers on
the street, to purchase stuff they don’t want, so here is the \$35 they
would have spent.**

***We are tooo busy to read all these e-mails, keep up on social media
posts or Sign Up Genius lists all year, so here’s the \$40 to do my share.**

***I don’t want to go to a dance, help at a show, or supervise high
schoolers in any way, so here’s \$50 for you to do it for me.**

***I am making this donation to express my appreciation for being able
to write a check and have nothing to do all year, yet fund PG!
\$_____**

**This is a volunteer fundraiser. You may choose to participate in lieu of, but
hopefully in addition to, any and all of our additional 2020 Project Graduation
