

## Medical Assignment Marking Period 2

\*If you are medically excused for 5 weeks or more.

Write a 3-4 page paper on the game of volleyball, lacrosse, basketball or team handball. Highlight a player or coach in the sport and describe how their particular game has helped him/her succeed in life.

Include all of the following:

- Basic skills necessary to participate, rules of the game and how they may differ from those used in Physical Education class.
- Objective of the game/sport and how it is played.
- Examples of how games can be modified in order for all students to participate during Physical Education class.
- Player/Coach highlight
- Bibliography
- Do not copy/paste. You must put in quotes all words that are not your own.
