

Long term Medical Assignment for Marking Period 3

*If you are medically excused for 5 weeks or more.

Research a famous athlete or coach in history, and write a 3-4 page paper on his or her accomplishments. Please include the following in your research:

- Why did you choose to research this particular coach or athlete?
- What were his/ her accomplishments in sport?
- What other special contributions did this person make to society?
- How did this person influence others in life?
- What was this person's training and educational background like?
- How has this person inspired you?
- Bibliography
- Do not copy/paste. You must put in quotes all words that are not your own.

Please hand in assignment to your PE teacher upon completion.
