

Please Support our Students and Teachers!

The **Cranford Fund for Educational Excellence (CFEE)** welcomes you back for the 2017-2018 school year. The CFEE is a nonprofit foundation that supports excellence and innovation in the Cranford Public Schools by generating resources through community involvement. With help from the generous Cranford community, we award grants to teachers for new and exciting classroom projects that promote learning, curiosity, and creativity.

Our latest round of grant awards to Cranford's teachers totaled \$23,000 for the current school year in support of the following projects:

- The Creative Mindset Literary Project
- Intergenerational Book Study
- Middle School Band Instruments
- Lego WeDo 2.0
- Junior Birdwatchers
- Ukuleles 2.0
- Access to PebbleGo, a social studies/science database.
- Ellison Starter Set
- Robots
- 3D Printer
- Sensory Diet resources
- Funds to support personalized learning & flexible seating initiative

This is only possible with your help. Please support CFEE this school year by volunteering or making a donation toward teacher grants. You can become an official CFEE supporter with a tax-deductible donation by completing and submitting the form below or online by visiting our website, www.cranfordfund.org. Also, we always are looking for volunteers and are actively seeking to build out our fundraising and communications committees. More information can be found on our website. If you are ready to get involved or have questions, please send an email to CFEE Co-President Pete Turnamian at pturnamian@gmail.com.

We wish everyone a wonderful 2017-18 school year!
