

**On May 19th, at North Brunswick High School the 2015 Snapple Bowl Union County & Middlesex County All Star Football and Cheerleading Teams were officially named at the annual Snapple Bowl Press Conference.**

**If you are unfamiliar with the game, it is a football game between Middlesex & Union County football programs that raises money for Children's Specialized Hospital in Mountainside (Union charity) and Lakeview School for Cerebral Palsey (Middlesex Charity). Over the past 21 years of the game, close to 500,000 has been donated to both charities!**

**As the Coach of the Union County Cheer team, I have the privilege of introducing the cheerleaders and witnessing the introductions of the gentlemen to the football teams. This year we have wonderful representation from Cranford High School:**

**Union County All-Star Football Team:**

**Nick Ballas  
Colin Scanlon  
Kevin Trotter**

**Union County All-Star Cheerleaders:**
